

A Free Tarot Deck

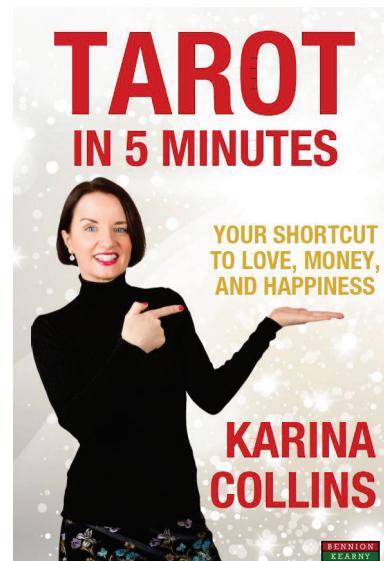

We hope you enjoy this free Tarot deck. It contains a full 78-card deck including the Major Arcana, Wands, Cups, Swords and Pentacles.

To get the most of the deck, we suggest you print the cards onto thick card (but make sure, in advance, that your printer can accommodate the card).

If you already know the meanings of the tarot cards, great. If not, we have a book that is designed to get you up and running quickly and easily. It's by Karina Collins, one of the top tarot readers currently working.

You can learn more about the book at:

We also have a number of other books that might interest you, including Chinese Horoscope titles, a book on the famed psychic Doris Stokes, and a parapsychology title [The Hidden Whisper].

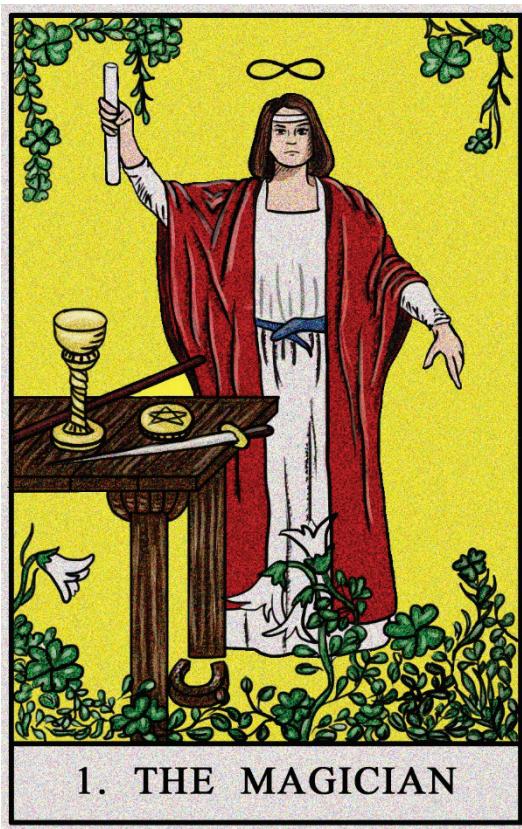

All the best!
